The Long Island Sound Foundation in conjunction with the CT Association of Schools

Presents  
**MARINE SCIENCE DAY**

For 5<sup>th</sup> - 8<sup>th</sup> Grade Students

**Thursday, May 14, 2009**

**10:00am – 2:00pm**

**THE REASONS**

The purpose of this conference is to educate students about Long Island Sound and Marine Science. Each student will be individually scheduled to participate in a series of workshops presented by university personnel, graduate students, and environmental educators from a variety of organizations and institutions. These workshops will promote a greater awareness of Long Island Sound and Marine Science.

---

***The Long Island Sound Foundation will provide a grant to selected schools for half their transportation cost plus reimbursement for their student registration.***

***Following the event; students may submit a one page document on what their learning experience was at Marine Science Day and why their school should be selected.***

***Teachers must collaborate with their students.***

***Please identify the location you attended.***

***Several new outreach***

***programs have been added to Marine Science Day. Locations are the Connecticut River Museum, Schooner Inc, Sound School, University of New Haven, and SoundWaters. A detailed program for each location will be provided to the selected schools.***

**Each student must bring lunch and a snack.**

The committee encourages each student to pack a lunch that will generate the least amount of trash. Bring your own beverage. (No glass containers.)

**Students should dress for hands-on activities, i.e., outdoors, boat trip and classroom floor, etc.**

***Materials will be handed out at workshops.***

## ***Programs***

Programs will be at the University

of CT. - Avery Point, CT River Museum, Schooner Inc, Sound School, University of New Haven and SoundWaters. Workshop times may vary at each location.

**8:30 – 9:45**  
Registration at all locations
